Welcome

to the 2010 edition of Kingston Council's Easter Activities Brochure, packed as ever with plenty of ideas to keep children and young people up to 19 years of age active and busy throughout the Easter holidays, come rain or shine.

Everything within this brochure will provide the opportunity to learn new skills, make new friends or try something different for the first time in a safe and friendly environment.

So why not get involved and work off those Easter Eggs! There's plenty to do in Kingston whatever the weather and I hope that you find something to suit your particular interest.
